**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This would be awful to my family around the country. I am lucky enough to live in a big city and have access to multiple options. Thats why I was able to switch from DSL to a locally provided Fiber options. My family in rural South Carolina doesnt have access to competition like this. Please dont make things harder for families across the country. We need more competition, not less.
